1. Applicants' paper filed on 1/20/2006 has been received and entered. Claims 1, 3 and 6 have been amended. Claim 2 has been cancelled. Claims 1, 3-6 are pending in the application.
2. Applicants' remark has been considered.
3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Patrick G. Burns on 2/17/2006.

The application has been amended as follows:

Please replace the original abstract with a new abstract as follows:

--A magnetic head testing apparatus includes reference information storing unit for holding a predetermined reference sampling period and a number of reference samplings, sampling unit for sampling reproduced data read a plurality of times from a magnetic medium in the reference sampling period, sampling number acquiring unit for acquiring a sampling number of measured data from a reproduced data base on a sampling result, sampling number ratio calculating unit for calculating a ratio of the sampling number of the measured data and the number of reference samplings, sampling data re-acquiring unit for changing the sampling period of the measured data depending on the calculated ratio and re-acquiring the sampling data and a measured

data overlap-displaying unit for overlap-display of the sampling data re-acquired from the measured data a plurality of times.--

4. The following is an examiner's statement of reasons for allowance:

Claims 1 and 3-6 are allowable over the prior art of record because none of the prior art whether taken singularly or in combination to teach the claimed combination as recited, particularly require in combination with other limitations of the claim, the prior art fails to teach wherein said sampling number acquiring means further comprises: average value acquiring means for obtaining each average value of a difference between peak phases of preamble and postamble from said reproduced data having preamble, measured data, and postamble.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Bryan Bui whose telephone number is 571-272-2271. The examiner can normally be reached on M-Th from 7am-4pm, and Alternate Fridays.
